

NEW YORK ASSOCIATION OF MORTGAGE BROKERS
"AN ASSOCIATION OF MORTGAGE PROFESSIONALS SINCE 1985"

Annual Sponsorship Program

2024 Partnership Opportunities

Who We Are

The New York Association of Mortgage Brokers, (NYAMB), is a non-for-profit 501c6 Trade Association, established in 1985 by a group of mortgage professionals, and is recognized as the leader in the wholesale mortgage industry by providing education, representation and communication to mortgage professionals across the state. NYAMB promotes ethical business practices in the spirit of cooperation and healthy competition. We have 4 regional chapters and host multiple events throughout the entire State of New York.

We are comprised of hard-working mortgage professionals who are committed to ensuring a strong wholesale mortgage channel. The real estate market may fluctuate, but one thing that remains the same is our position on industry ethics and standards. The New York Association of Mortgage Brokers is governed by a volunteer board of industry professionals who tirelessly work on behalf of its members through their lobbying efforts both in Albany and on the Hill in Washington, DC. We work with regulatory agencies to ensure the Mortgage Brokers are represented fairly in New York State.

NYAMB is an approved NMLS provider of continuing education and was the first trade group to offer pre-licensing as required by the SAFE Act. We educate close to 400 mortgage professionals a year. We host two annual state conferences & tradeshow, monthly webinars, regional events across the state, and provide tools and resources to help our members grow and protect their mortgage broker business model.

Sponsorship Vision

When you partner with us you are providing exponential relevance and value to thousands of industry professionals. Through print, e-mail, social media, logo placement, digital display, & speaking opportunities, your brand has the tools to educate Mortgage Industry Professionals about your niche product and services not only in New York but across the country.

Put your best foot forward. Visualize this partnership through the eyes of our members, attendees, followers, and readers. This is more than a marketing play. It's about creating experiences that will resonate long after your brand strikes its activation. It's about what your brand does with the opportunities that it has been given. It is about staying one step ahead of your competition. It is about getting in front of the decision makers in the industry.... The Mortgage Broker Owners!
